

Library and Knowledge Services Newsletter

Issue 21 | June 2024

Our newsletter will keep you up to date with new resources and service developments as well as news from our team members.

Now even more access to books!

NHS Trust staff across Lincolnshire have access to a huge range of books via the HeLM library catalogue.

We joined the Health Libraries in the Midlands (HeLM) group last year which gives staff access to over 250 000 books.

The **book catalogue** can be found at www.healthlibrariesmidlands.nhs.uk or using the QR code below.

However, we know that not every book will be available via the HeLM catalogue.

This is why we have joined a new national scheme which gives greater access to books across NHS libraries in England.

The Inter-Network Collaboration (INC) scheme is a reciprocal inter-library loan and document supply scheme for NHS libraries in England.

Just let us know if a book you want isn't available on the HeLM catalogue and we will search the INC scheme catalogue for you!

OUTSTANDING CARE
personally DELIVERED

Artificial Intelligence (AI) resources – Wizdom AI

[Wizdom AI](#) is a website that uses AI to provide insightful data on journals, topics, institutions and more.

Its most useful function lies in locating recently published articles for topics of interest, and in generating word clouds for other topics that may interest you. For example, for the topic of nursing management, the word cloud can link you through to topic pages such as workplace bullying, leadership development and employee retention.

Each of these pages can then show you the recently published articles for these topics, leading to a wider variety of relevant content.

Wizdom isn't perfect – no AI is! Sometimes the articles might not pertain to the topic at all. But as the AI aspect lies in collating the articles from various databases and sorting them into topics, the website doesn't 'hallucinate' – that is, all the articles on Wizdom do exist and link through to real articles. It can be a useful website for finding articles that you may not come across using just one database such as Pubmed.

Lincolnshire NHS system-wide book club

Do you love reading? Would you like to read more widely? Are you looking for a social space to help you wind down from work? If you've said yes to any of these questions why not join the Lincolnshire NHS system-wide book club!

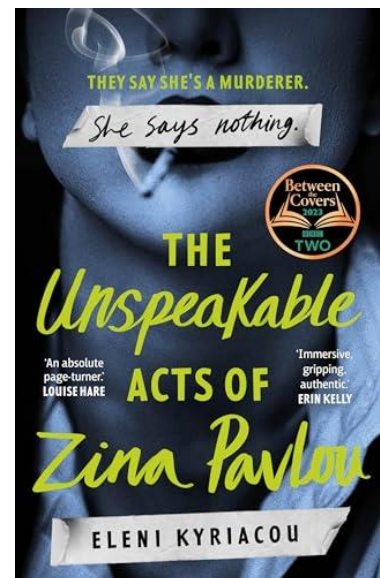

This month's book is **The Unspeakable Acts of Zina Pavlou**

The next meeting is **Wednesday 10th July 7-8.30pm** via MS Teams

Click here to join the meeting: [Teams link for book club](#)

If you have any questions about the book club please contact:

- Sophie Wilson Sophie.wilson9@nhs.net
- Lesley Wilkins Lesley.wilkins2@nhs.net

Men's Health Awareness Week 10th – 16th June

Library and Knowledge Services have been supporting **Men's Health Awareness Week** with book displays at Pilgrim and Grantham.

All of these books are available to borrow as well as over 250,000 books via our regional NHS book catalogue: <https://www.healthlibrariesmidlands.nhs.uk/>

We also send out a **regular Men's Health bulletin**. If you would like to receive this email clinical.librarian@ulh.nhs.uk and ask to be added to the mailing list.

Monthly dashboard

Article Requests

In **April** and **May** we provided access to **1597** articles.

Literature Searches

In **April** and **May** we completed **57** searches.

Some of the literature search topics we have covered recently include:

- Rehabilitation of ankle injuries
- Mediation in the NHS
- Scalp cooling in chemotherapy
- Neurodiversity and trauma
- A&E quality improvement
