# Library and Knowledge Services Newsletter

Issue 22 | December 2024

**Our newsletter will keep you up to date with new resources and service developments as well as news from our team members.**

**We would like to wish all of our wonderful colleagues across NHS Lincolnshire a Merry Christmas and a Happy New Year!**

## We'd love to meet you!

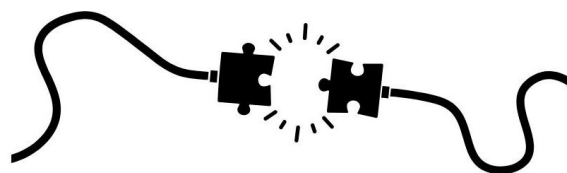

**Over the past few months we have been busy engaging with departments and staff groups to showcase the services and resources that are on offer from the Library.**

We have built strong connections with the Clinical Education and Postgraduate Medical Education teams who invite us to present at the ULTH Preceptorship Nurse Education Pillar and the ES/CS forum regularly.

We have attended Effective Practice Facilitators meetings to support their drive for more evidence-based practice as well as supporting the development of a new journal club for Physiotherapists.

Our Library & Knowledge Services Manager has presented at the recent pan-Trust Shared Decision Making Council and members of our team attend the monthly LPFT staff induction.

**If you would like one of our team to come and deliver a short presentation about the Library and how we can support your staff please just let us know!**

**OUTSTANDING CARE**  
*personally* DELIVERED

## Out and about!

**We've been lucky enough to attend some fantastic events recently too!**

Katie and Lesley attended the NHS Lincolnshire Networking with Pride event at BGU in the summer. We took a selection of books and other resources to support LGBTQ+ staff and patients. If you are interested in more information you can sign up to receive our regular LGBTQ+ bulletin.

Lesley and Laila were invited to the system-wide Black History Month conference at Boston United Football Ground in October. We showcased the range of fiction and non-fiction available on the Library Catalogue along with reading guides to support Black History Month's message of *reclaiming the narrative*.

## Staff updates

Our Library and Information Adviser, Katie Smith, attended the Lincolnshire Health and Care Apprentice Awards recently where she was awarded a Level 3 in Library and Information Services.

**Well done Katie!**

**We would also like to wish our Library and Information Advisor, Liz Carr, a wonderful retirement.**

Liz has been an invaluable member of the team for over 20 years and has run the library at Pilgrim Hospital with enthusiasm and passion all this time! We are extremely sad to see her go but wish her all the best for the future!
