Register for a NHS OpenAthens account via the following link: <https://openathens.nice.org.uk/>

KnowledgeShare

Sign up to KnowledgeShare and we will send out regular emails alerting you to the latest evidence on a particular topic. To sign up, please click on the following link: <https://www.nhslincslibrary.uk/knowledgeshare-request/>

Evidence Searching Training

If you need evidence, we can provide training on how to search the healthcare databases and resources. We can also show you how to appraise the information that you find. To book a training session please contact clinical.librarian@ulh.nhs.uk. More information can be found at: <https://www.nhslincslibrary.uk/training/>

Online Resources

BMJ Best Practice is available to all NHS staff. This clinical decision support tool provides step-by-step guidance on diagnosis, prognosis, treatment and prevention of a wide variety of conditions.

Available from: <https://bestpractice.bmj.com/oafed>

ClinicalKey is a database which supports healthcare professionals by providing access to the latest evidence across specialties.
